

Health In Harmony

Integrating essential medical care with environmental protection strategies for the threatened rainforest

6114 La Salle Ave, Suite 752
Oakland, CA 94611-2802

Health in Harmony

invites you to join **Dr. Kinari Webb** for

The ASRI Vision: Year 2

Project ASRI's innovative human and environmental health programs in West Kalimantan, Indonesia, are saving lives, preserving rainforest habitat, and inspiring new solutions to critical problems facing our world. Kinari Webb, ASRI founder, will travel from Indonesia to bring photos and success stories from Year 1 – and an invitation to support the vision for Year 2.

November 7th, 2008 - OCSC Sailing, Berkeley

5:30-8:30pm, with presentation by Dr. Webb at 7:30pm

Optional sail on San Francisco Bay, 4:30-6pm, weather permitting
Appetizers, beverages, and sale of unique items from Indonesia

Limited tickets available: \$10-20 per person
